

## God as a Voter

September 29, 2008

### **"Blessed is the nation whose God is the Lord." Psalms 33:12 USA: ONE NATION UNDER GOD.**

This coming election is very crucial. We, as a church, must fast and pray. We need to stick to the issues at hand. What does God's Word say? God's Word says: Same sex marriage, sleeping with the same gender is an abomination. It is sin. It is everything the Bible says. We have a divided church. I've seen so many black people ready to vote for the color. Our brothers and sisters are overlooking the issues. This is time to make history and the blacks know. We all know: black, white, Hispanic, Asian.

I am a born again Christian. I don't see color. I'm a citizen of heaven bringing heaven's government down to earth through my vote! If the tables were turned, I would vote the other way. We have a chance to send the Holy Spirit into the White House. You are still carnal minded. If you vote for man because of his color, you will be handing this nation over to the enemy. In Florida and California, we have a very important task to come against this spirit of the anti-Christ and perversion. If even one state goes, there goes the country. Look how hard it has been for us to change abortion. So shall it be with same sex marriage. Come on, Church, wake up.

This isn't about a man, it's about a country. Open your eyes. We cannot vote for a president that has roots of hatred, has sat for years under a tainted well of hatred, and has a spirit of the anti-Christ. (I John 2:22 talks about those who deny the Son and the Father. If we try to approve laws against God's will we are denying Him.) Some are saying, "Well, I don't like either of them," or "Who cares." So, vote for the issues. We, as a church, are under a test. God is being silent this season about who will and who is going to be president. Why? Because He is sifting the church. He is watching what you are going to do. We pray you make the right decision.

If you vote for a man and not for issues, you are saying, "God, my opinion is more important than your word." Remember: You are a watchman for this nation. If you don't take the warning, the blood and sin will be on your hands, like the prophet Ezekiel said (**Ezekiel 33**). These things are bound to happen. Don't let them happen on your watch. Imagine: your vote can be the reason babies are being killed. Your vote can help to destroy the morals of this country. If you are a leader of a church, and you are leading your sheep to vote for color or any other selfish thing, you have abused your authority. Repent, repent, and repent.

Do you know why God is being silent? It is because this is the most obvious election in History. He doesn't have to. It's so obvious. This election is like black and white. Vote: death or life; good or bad; immorality or morality; Holy Spirit or the anti-Christ. I'm not saying the man is perfect, but what that man or woman stands for is leaning toward my God or toward the father of lies.

That is your duty as a Christian. Remember: Judas was a disciple, but he lost his soon to be apostolic authority by selling out to the rudiments of this world. You better put on your eternal sunglasses. See without color, without prejudice, without what you can gain. See how God sees.

### **"And be not conformed to this world; but be transformed by the renewing of your mind, that you may prove what is good, and acceptable and perfect will of God." Romans 12:2**

Now you have the truth you have no excuse. I go to different churches and people ask me who I am voting for. I look at them like, what? I'm voting for God. How about you? Do something. Fast. Pray. Read the Word of God and find out by yourself what God has to say about the issues. This is crucial for our children and for this generation. Feel free to forward this to as many people as you know. Don't be scared about unsaved people. They need to know the truth also - the truth about what God says and what He thinks.

Get your Bible and read what God says about ...**When life starts:**

### **"Your eyes saw my unformed substance, and in Your book all the days of my life were written before ever they took shape, when as yet there was none of them." Psalms 139:16**

...Israel: **"Pray for the peace of Jerusalem: they shall prosper that love the Holy City." Psalms 122:6**

...Homosexuality and about those who are for it: **"Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves; who changed the truth of God into a lie, and worshipped and served the creature more than the Creator; who is blessed forever. Amen. For this cause God gave them up unto vile affections; for even their women did change the natural use into that which is against nature: and likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error...who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them." Romans 1:24-27, 32**

It's not about religion. It's not about politicians or party. It's not about a bailout plan. It's about to bring the righteousness of God to this land again. Your vote can place God on the throne of this country again. So, there will be prosperity, peace, justice. Blessed is the nation if GOD IS THE LORD! We love you, and let's vote under the fear of God and under respect for His Word and His rules.

Sharing: when I, Marlene, was praying about the election in the USA, God gave me a revelation about how important it is to vote with a kingdom mind. He was showing me that every time we vote for something that is against His will, we are giving the enemy the approval to do whatever he wants. When a law is approved on earth by man, it is automatically approved and released in the spiritual realm. This can be for bad or good. For example, if you come in agreement with the will of God, great, we are releasing the YES to God so He can bring His kingdom on earth as it is in heaven. But if you come in agreement against the will of God, bad, we are releasing the YES to the Devil so he can bring his kingdom of darkness on earth as it is in hell. This gets even more serious because God shows me this releasing will happen not only in the USA but on EARTH. So what we vote on today can affect not only this country but the entire world. Our vote has the key to the spiritual realm. Whatever we agree with has the power to bring the kingdom of heaven or the kingdom of darkness on earth. "And I will give you the keys of the kingdom of heaven; and whatever you bind (declare to be improper and unlawful) on earth must be what is already bound in heaven; and whatever you loose (declare lawful) on earth must be what is already loosed in heaven." Matthew 16:19. May the eyes of our understanding be enlightened today before the election comes!
