

# JEZEBEL

JEZEBEL: Its main purpose is to shut down the prophetic voice in the church. When Jesus spoke in **Revelation 2:19-29**, He was speaking to the leaders of the church because as the anointing runs from the head down so does the entrance of unclean spirits such as Jezebel. Its main purpose is to control the leaders so God cannot move. It wants to grieve the Holy Spirit. When this spirit comes into the church, it has the leaders teach on the Jezebel spirit and tricks the people so everyone starts to look at each other to see if they have some characteristic of that spirit. Then walls are put up. The leaders become consumed and this beast becomes more powerful. Unity and freedom will kill this giant but first repentance must come from the head down. Leaders are responsible to bind and loose this beast but when they let it in the heaven's become brass. This spirit will come and seduce leaders. She is not concerned about the sheep. She knows the damage. She will do it from the top. We must cover one another but our cover leader first. In the Old Testament, Jezebel wanted to destroy the prophet Elijah (**I King 19:2**). In the New Testament, the same happened to John the Baptist: They asked for his head (**Mark 6:24**). So If Jesus Himself has rebuked the church for the Jezebel spirit in Revelation, and the Old Testament is always a shadow of what is to come, watch out for false fire: controlling pastors and leaders who will always be content to be the only voice, the only teacher, the only one prophesying. Watch out! As anointed as this leader might be, this leader might be dancing with Jezebel!

## Dancing with Jezebel

Part II

Church, God has sent me halfway across the country to see this spirit in full action (but this is happening everywhere). The first night, my eyes were shut. God ignited me again in the same meeting. He will always work around any obstacle to touch and reach His children. He sent me there while I was in the wilderness. Now I know why God led me to the wilderness: to send me to this church that is possessed by Jezebel, and they have no idea. The second night at this revival meeting, God put my seer's eyes on fully and what I saw was atrocious. They took me on several tours trying to convince me that I should move there. I felt like I was at Disney on one of those timeshare tours. They wanted to show me how beautiful and how big their golden calf was.

I'm going to expose Jezebel and Ahab, how they work hand and hand, and how witchcraft is produced from this spirit. When I arrived in Kansas City the first night, God gave me all these dreams. I was very confused. I thought, "God I just got

here and now you're showing me all this stuff." I understood that if He had shown me before I went, I would have thought He was giving me a sign not to go. So, He waited. He is a lot smarter than me. Don't get me wrong. God is moving at this large fellowship that is on Daystar every Friday night. Remember: Jesus in the book of Revelation was speaking to the churches - to the seven churches. Five of them had one major problem. Correct. Well, Jezebel is plaguing the American church and it is not what John Paul Jackson has expressed in his book, *Unmasking Jezebel*. That book has many good points to it but it is contaminated because it is written from a leader's perspective only so it is bias. Yes. The season is here. God is going to use me. I will expose darkness and those who are allowing these things. Why? Obedience. That's my office. And because of love for the Body. Wake up, Church. This is what I was born to do. I will no longer shy back. God will back His Words. Truth has to be spoken. God is raising up His remnant. No one that manipulates God's sheep will be tolerated any longer. I'm going to please Him rather than man. I'm not here trying to make people like me. I'm not trying to move in the gift of prophecy that all of us can do. Many have gone out and prostituted this gift and now they are using it for money and for fame, and the spotlight has captivated them. Even our good brother Kim Clement has now given many false prophecies. Yes. He is God's child. Yes. He is anointed. Yes, he moves strong in the gift of prophecy. Is He a true prophet? Only He and God know. Remember: True prophets do not have a new word every week. They are seasonal and bring a word of correction and adjustment, and this word is from the heart of God. They do not move that strong in the edification gift as the entire body can do. They suffer; they cry; they labor for a word; and when they birth it, it is not always the happiest thing--- but it is pure truth. You don't practice being a prophet. You are one. Yes, God will take years to cultivate character, timing and maturity, but the Word is true.

Imagine Jeremiah now--- just a little boy. "God I can't do that!" He didn't practice it. He spoke for God. It didn't happened after 10 years of reading Dreams and Visions books, or going to prophetic conferences. How about Samuel – this little kid. God spoke. He had a message for Ely. Ely was letting these things go on in God's house. The deaf get deafer. See the difference between the gift and the office? I just wanted to lay the foundation. It's the same for every prophet in the Bible. They are a messenger of God with no room for error. Many were not received and many got stoned and killed, not because they were false prophets, but because they told the truth and exposed the intentions of the hearts of nations, kings and groups. I had a sequence of dreams around 8 months ago on Benny Hinn. I'm not going to project on that, but I will tell you that in the last days we need to keep ourselves unspotted from the World. God says that if we sow corruption, we shall reap corruption. Also the Bible says, "Pride comes before a fall." The one man shows are over. God is about to unleash such an uncovering of all the garbage in the main stream church. All these false teachings on prosperity, all those "bling-bling" ministries, the gold dust addicts, the diamond seekers, chasing after manifestations like drug addicts trying to find their next fix. How about chasing after the pearl of great price? (**Matthew 13:45**) The ones Jesus died for. Souls! Those are the diamonds God wants you to chase. I am not saying God did not do them or that he did. I'm talking about the ones chasing them and the ones promoting them to build ministry names. We will go

back to promoting Jesus.

Now on the Jezebel topic. This topic is so deep and subtle but devastating. It creeps in little by little. It takes over the entire body from the head down. What you get out of it is a golden calf: a big building, a couple books with your big picture smacked on the cover. Remember: the gifts and the calling are without repentance. Jezebel promoted the prophet of Baal - Elijah promoted God, and they had a showdown in the book of Kings (**I King 18:19**). I see a showdown on the horizon. God will win as usual. The first thing this beast will do is try to shut down the prophetic voice or the prophets. God bring the prophets to help a pastor and they see the prophet as trouble because, yes, they want to do work for God but they also want to have a big congregation. They want everyone to work for free to build their dream and they say, "God told me." But the prophet says, "God wants you to do this." So there are two ideas: One manly vision, the other Godly vision. Then the beast creeps in. The pastor doesn't see her because his heart was not totally pure. So then Jezebel has found a place. She starts to seduce these pastor or leaders with lusts and they start making a little rule here, a little rule there. They call it protocol. They say we need to protect the sheep. No one is to lay a hand on anyone. No one is to prophecy to anyone except the ones who we allow. This is not Body of Christ. This is Jezebel. Yes, God shows up but He cannot move freely. My Bible says to prophecy one to another and to let another judge. How do we all learn and grow in the deep things of God and test the spirits? How can we test spirits if no one can talk from God? Not in the Jezebel church. Then these leaders have their own visions and the lust of the flesh, pride of life mixing together. What they start to do is to promote their own vision and to put a burden on the sheep. It's up to them to help, and many work long hours never receiving a penny for the labors, just an accolade once in awhile.

So everyone has a job in this organization. It is run just like the World. The pastor leaders are untouchable. You have to have a special meeting just to talk to them. They always enter the room or congregation late and leave early out the side or the back door while the action at the altar is still going on. Some leave with their entourage of armor bearers (Please, read Marlene's word on ["Give Me Your Armor Bearer's Feet"](#).) When surely my Bible says, "The first shall be the last and the last shall be first." Mark 9:35. What happened to being the doormat? The servant of all! Leaders are supposed to serve people more than anybody else but they demand to be served. They get their 2 'o clock tea. They have an assistant that wipes their sweat because they are so anointed and preach so hard. It's Jezebel. Their followers even start to dress like the leader, wear their hair like their leader. Then they talk to the congregation, they put condemnation that they need to do more - not to win the lost - but to build their golden calf. They tell you that you are serving God and how pleased God is with you. Never giving you a dime for your time. Scripture tells us in **Luke 10:7**, "For the laborer is worthy of his hire," **I Ti 5: 18**, and "that the laborer is worthy of his reward" But they have a picture on the wall of the leaders, and they all have new cars and houses mostly paid off, and, of course, by you who are working for them for free. Not only are you working for free--- your tithe is paying for their house.

Note: The reason God is exposing this beast is that His children are bound and controlled and cannot grow into their Kingdom's assignment. They never grow up and become what God has ordained for them to become.

Jezebel's function is to control. How? It controls with words and manipulation. While you are vacuuming and dusting off the golden calf, I mean, God's house. That is how they get you to labor for free. God's house, they always say. My Bible tells me that serving God is growing up into what God has for you, your gift and assignment. This spirit keeps everyone IN the building. That congregation is the best one the world, and everyone else should be there. The body never grows spiritually. They are children tossed to and fro because they are getting whatever the pastor tries to serve but no meat. Remember: I am exposing Jezebel---not coming against any child of God, not His beautiful bride. But the spirit that my Lord is telling me to reveal through these dreams and visions. In the book of Malachi, it is written: "Will a man rob God through His tithes and offering". Jezebel Spirit makes you the thief when God is talking to the priest, the leader of the Church, because everyone brought their tithes to the storehouse: the church, the building. The priest – the leaders - were spending the money and eating the goods. They were not taking care of the poor and the widows. This spirit will twist God's words and manipulate the sheep, never allowing the gifts in the House to operate. A lot of the time, it first moves through the wife of the pastor. Just like Eve – the Devil has no new tricks. Ahab, I mean, the pastor, does most of the talking and preaching, but if you went to their home, you would see the wife making all the decisions for the church and always lifting her husband up in front of the congregation. There are always silent rules and "do's and don'ts," like "don't leave your seat". This spirit loves to assign seats for people. The usher tells you where to sit, where to park, when to scream, when to rush the altar, and it looks free because it has life and God does show up. Now, let's get to how this spirit seduces through luxury and vanities when you go to these places. Everyone talks about how awesome the leader is. Little Jesus, big leader. They even make you feel like you have a demon if you don't act like them. Don't try to go to the bathroom during the service. They will say, " You can't sit still because you have a religious spirit."

This spirit of Jezebel commits adultery with the system of the world and demands respect when we know that God's kingdom is opposite from the World system. God said that this spirit is seducing and teaching His servants. The church of Thyatira represents the world or religious system that allows anointing to make covenants with worldly systems (**Rev 2:18**). Example: voting for a candidate because of stimulus that you would receive because of your charitable organization status (or 501c3), so that in your own mind, you justify that God wants this because He needs to do this work. The whole

time, this candidate goes against every moral and law of God. This spirit will always justify its action in the name of God. They do outreach or have missionaries but their heart is not in it. Just to say we are doing this and that. They have a million dollar ministry and 20 thousand dollar a year for outreach. Ezekiel explained it like this: the branch up the nose (And He said to me, "Have you seen this, O son of man? Is it a trivial thing to the house of Judah to commit the abominations which they commit here? For they have filled the land with violence; then they have returned to provoke Me to anger. Indeed they put the branch to their nose. (**Eze 8:17**). No matter what the leaders say – they are right and no one is allowed to question it because, of course, God only tells them about the building, the golden calf. Luxuries, waterfalls vaulted ceiling, coffee latte machines and bookstores and TV ministries, glass elevators. You name it. But people are starving in the churches, in the third World countries. But this spirit justifies itself because, remember, 20 thousand out to mission, 200 thousand for the pastor salary. This is the sickness that we need as a body of Christ to stand up and say no to.

We are taking God's church back for God, for the lost, for His freedom to move through all His children. Take these superstars off their thrones and put God back on the throne. You prosperity preacher. I warn you from God. You live by the dollar bill and you will die by the dollar bill. Every Kingdom built by the hand of a man-- you have labored in vain. You have been building your own kingdom and you are the top dog, the big CEO. Say Good bye. Repent for God is bringing His remnant forth. Maybe you are the wicked that has been storing up the wealth for the righteous. Hand it back to God, to the poor, to the hurting, you selfish child. The Bible says that with the abundance of the heart the mouth speaks. That is why you always talk about money, telling people to give on credit so that God will erase your credit. Liars, thieves, fleecing the sheep. Paul said **in II Cor 9: 7**, "Every man according as he has purposed in his heart so let him give. Not grudgingly or out of necessity; not under compulsion for God loveth a cheerful giver." Does it sound familiar what you hear on TV? "Run to the phone quick – slow obedience is disobedience." Or, "Someone out there...You are about to go bankrupt. You sow this thousand dollar seed on your credit card..." While this guy has never shown you a video of outreach or why he needs the money, but the entire time, He talks about his car collection, about how he gave 58 dollars to get 58 blessings. How about this: "Now it's 2010. God said - ten people are going to sow 10,000!" For what? Shut up. God is about to reveal this spirit like never before.

**I John 2:15-16**: "Love not the world, neither the things that are in the world. If any man loves the world, the love of the father is not in Him, for all that is in the World, the lust of the flesh and the lust of the eye and the pride of life, is not the Father, but is of the World." **James 4:4**: " You adulterous people . Don't you know that friendship with the world is hatred toward God? Anyone who chooses to be a friend of the world becomes an enemy of God."

You yoke up with unbelievers turning the House of God into the House of Dagon and idols (**I Samuel 5**). What happened to the sayings of Jesus? He said in Matthew 20:25-28, 25 But Jesus called them to Himself and said, "You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. 26 Yet

it shall not be so among you; but whoever desires to become great among you, let him be your servant. 27 And whoever desires to be first among you, let him be your slave— 28 just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many.”

Who do you think you are? Get off your high horse! Divorce Jezebel. Clean your church. Smash your golden calf. Repent and start to serve God's people. There are several places in this region that are dancing with and dating Jezebel. God says, “I'm jealous. I'm love sick.” **Ezekiel 8**. Return. Return. Return. Time is short. Fun and games are over. God is taking back His bride from every Harlot. Release your control and your manipulation. God will reveal you openly. You have had many warnings in the night visions. Do not lie. Boldness comes from God. This region will be God's, not man's. Loose, loose, loose! Face God, change your ways. Empty promises. Your words have become powerless. Repent and return to your first love or I will remove my candle stick from you, says the Lord. **Rev 2:1-7**. If you are bothered by this word, ask yourself why and turn to God and live.

**Rev 2:18:** “To the corrupt church: 18 And to the angel of the church in Thyatira write, ‘These things says the Son of God, who has eyes like a flame of fire, and His feet like fine brass: 19 “I know your works, love, service, faith,[b] and your patience; and as for your works, the last are more than the first. 20 Nevertheless I have a few things against you, because you allow[c] that woman[d] Jezebel, who calls herself a prophetess, to teach and seduce[e] My servants to commit sexual immorality and eat things sacrificed to idols. 21 And I gave her time to repent of her sexual immorality, and she did not repent.[f] 22 Indeed I will cast her into a sickbed, and those who commit adultery with her into great tribulation, unless they repent of their[g] deeds. 23 I will kill her children with death, and all the churches shall know that I am He who searches the minds and hearts. And I will give to each one of you according to your works. 24 “Now to you I say, and[h] to the rest in Thyatira, as many as do not have this doctrine, who have not known the depths of Satan, as they say, I will[i] put on you no other burden. 25 But hold fast what you have till I come. 26 And he who overcomes, and keeps My works until the end, to him I will give power over the nations— 27 ‘ He shall rule them with a rod of iron; They shall be dashed to pieces like the potter's vessels’[j]— as I also have received from My Father; 28 and I will give him the morning star.29 “He who has an ear, let him hear what the Spirit says to the churches.””
