H.O.T. VISION

WRITE DOWN THE VISION

AND RUN WITH IT.

The vision for the **H.OT.** House of Truth is very simple: raise up men and women to become disciples, to pull **gifts** out that have been buried through religion and control, to break mind sets of the church because we are the church (not made by the hands of man). We will reach out to people through the power of the Holy Spirit and through the powerful love of Jesus. We will lead thousands upon thousands of souls to salvation.

WE, THE BODY OF CHRIST

We are His body and we must move accordingly. Everybody who knows their God shall do **exploits** for Him. We as a Body must come together and encourage one another, testify of what the Lord is doing in that particular body, rejoice with all and comfort all, never lording over one another, just loving one another!

The Vision is H.O.T.

THE BODY OF CHRIST: EVERY MEMBER TOGETHER BRINGING HIS KINGDOM DOWN.

We will not be an infidel. We will be an infantry fully loaded: **healing the sick, setting the captive free, preaching the gospel, with signs following.** We will go into poor countries and build HOUSES OF TRUTH. The teams we raise up will go and start these houses, imparting anointing and appointing leaders. Then go place to place as the Lord leads, going back and forth to oversee. It is all about His Kingdom.

THE FULNESS OF THE GOSPEL

We will **impart** gifts of the spirit. When we come together, it will be an explosion. We will do all with Holy Spirit. We can never grieve Holy Spirit. We have made churches so organized and structured that we have left out "I am". The fear of the Lord is the beginning of wisdom. Congregation's purpose is not to make someone's name great. But to lift up the name of Jesus!

OUTREACHING THE LOST.

We will speak truth in love. The word of God is not an opinion or a way. It is **the way**. God will raise up apostles, prophets, evangelists, pastors, and teachers. We will open **orphanages** all over the world, from India to Africa, to South America without neglecting our mission field at home. We will open a deliverance house called **"Rebirth"**. It will have men coming out of the world into the land of milk and honey, coming off the elements of bondage, being set free and delivered not through Pharaohs' deception of recovery programs but through the blood of Jesus Christ! We will also have **Manna Outreach** on the streets and other assigned areas (this vision has been fulfilled since November 2009).

THE POWER OF THE HOLY SPIRIT: OUR ETERNAL PARTNER.

Our vision is to bring both these together: love, compassion, fruits of the spirit and the gifts of the spirit and the power of God. That is when the **explosion** happens. We will boldly do this. Everyone who desires to be touched by God will be. We have no place to tell Holy Spirit what to do. We are His servants. We will submit to Him. He is not here to serve us. He is our master. He calls the shots. This is the shift in the Body.

MARK 16:15-22: OBEYING THE GREAT COMMANDMENT.

A church is not a Kingdom church if it is not using the gifts and the **power of the Holy Spirit** in order to reach a lost souls. **Awakening the Giants Trip** has taken place in order to equip and empower the members of the Body of Christ, so together – the **Fivefold Ministries** we will boldly go out and obey the great commandment in Mark 16:15-22! Doing it the way God has designed us to, not through programs and traditions. Doing His way, we will see the harvest!

WHO WE ARE.

Shane & Marlene Roessiger live in Venice, Florida and they are local missionaries on fire for the Lord. They are founders of In **Him Healing Touch Ministry** and in the four and a half short years they have been married, they have followed Jesus to eight different nations. Now God is calling them to this apostolic work. to raise up an army of believers to go into the darkest corner of the World and bring thousands of people to the salvation and knowledge of Jesus Christ! Their passion is not just talk about Jesus but to display His power and to see God's precious children coming back to their father and to be prepared as His son's bride.
