

The shift is on!

By Shane W Roessiger

May 9, 2009

The shift is on! Attention, all saints! The move is to action. No longer will we build upon man's order. No longer shall we say, "I am of Paul or I am of Cephus." No longer will God allow these ministers to conduct their ministries out of order. God is bringing his order over the globe for this set time. Mind sets must be broken, kingdom minds put on.

New mantles have been released on the body of Christ, and those who have an ear must hear what the spirit is saying to the church. Big churches and ministries: Return to your first love. Repent; do the first works. You say you have need of nothing. You have become naked and blind in the spirit. You have allowed the Jezebel harlot in. You release vision out of your own spirit. You lead the free back into captivity. You have not desired the new wine.

Church of God, return to me. Release my people. I am now merging or marrying together the apostle and the prophet, a double mantle. These bones shall live. There is a remnant that has not bowed their knees to Baal. I am blessing those who have been set aside. I am calling you back together. Come out of the wilderness. Children of God, the Lord says, "You must not only be fed, but feed yourself."

Much tainting of the word is all over. The blind are leading the blind. Don't depend on a name or a face. Seducing spirits are among us. Depend on the Holy Spirit. Many are under deception; of course, they don't know it. Those whom God has called to the apostolic must be prophetic and those whom God has called to be a prophet will be apostolic. There is a changing. Davids are taking their place. God is turning it around. Double mantles, prophetic apostles, apostolic prophets. We must hear from our spirit, not our minds. God has offices. Don't listen to any that say that God has no prophets or that this is only for the Old Testament. We can all prophesy, but they don't understand the difference between a prophet and the gift of prophecy. They are babies and need to be taught.

We must be bold for the love of the Body. God is going to speak. God is breaking down the house of Dagon. He is breaking down the house of Esau. What you could do and get away with is now coming full circle. God is releasing His bride from the hands of man. He is gathering His elect from the four winds. Jealousy

has no place in His Body. You have been jealous of the new wine instead of getting your own. There is a new church arising and fast. The deaf will get deafer, the dumb will get dumber. So break off this deaf and dumb spirit. Repent and return to me. I am speaking through my apostles and prophets, not those prophets who are prostituting their gift for money and fame.

There is a supernatural release coming. Dormant seed is going to be multiplied. The seed that has been sown in the right ground, fertile ground, will be multiplied. Now is the time to sow. Hear carefully where God directs you to sow. He is cutting off finances to the rebellious. Obedience is better than sacrifice. If signs and wonders are not following the Word, search, find out, pray for those leaders to repent. See where the tainting is. Test the spirits, protect yourself. This is a serious time and an exciting time. Don't be left behind. We shall speak the word of the Lord as He speaks, we obey. We love you and please search your hearts and hearken to the voice of God. Be free!

In Him,
Shane W Roessiger
